## **What is the Zombie Run for Your Life Game**

If you option in to play when you pick up your packet you will receive a belt and 3 flags to wear. These represent your lives. As you run the route you will encounter Zombie Zones.

Zombies in the zones will try to grab your life/flag, Yikes!

We have trained our zombies to not be as aggressive as real zombies and would appreciate you being considerate of them too.

At the end of the race you will receive awards for your survival skills. Just go to the "Miracle Max Decontamination Booth" . No flags - Your dead, 1 flag - Really dead, 2 flags - Mostly dead, 3 flags - Survivor... Yippy! Don't worry just like in the movie Princess Bride Miracle Max can restore your life so you can enjoy the after party.

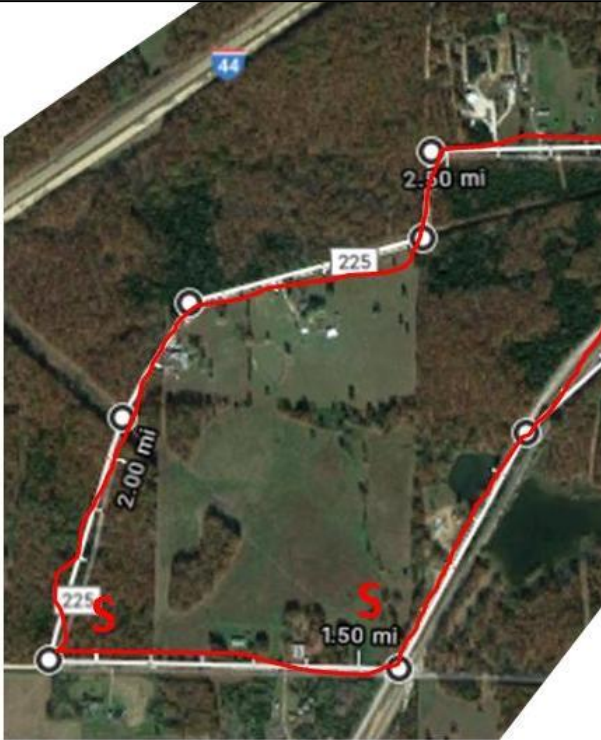

What if I don't want to play? No problem... no flags and you get super-hero status and you can pass through the Zombie zone with maybe just a zombie look or two.
